Tiffany®

Linea-Tiffany, facente parte del gruppo MGI Industry, produce e distribuisce articoli monouso in carta, destinati alla fruizione domestica e industriale.

Il successo della linea-Tiffany è legato all'elevata qualità e igienicità del "prodotto", realizzato con materie prime di purissima cellulosa che garantiscono la migliore combinazione tra resistenza e morbidezza, nel massimo rispetto della pelle.

La ricerca e l'esperienza acquisita negli anni ci consentono di avere una vasta gamma di prodotti per soddisfare ogni esigenza.

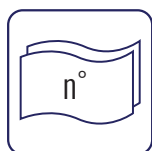

La nostra strategia si basa su una "mission" chiara, che pone tra le priorità la qualità dei prodotti e l'attenzione verso i clienti e l'ambiente.

Questo per garantire sempre ai nostri clienti non solo l'eccellenza qualitativa dei prodotti, ma anche professionalità ed affidabilità nel nostro lavoro.
